

Original Javelin Odyssey Logo Coloring Guidelines

If you want to order a Javelin Odyssey with the original Odyssey logo, select it in section 3 of the online order form. For one color logos use the box titled **text/single color**. For a two color logo use both the **text/single color** box and the **accent/orbit** box.

TWO COLOR OPTION:

The logo is divided into two different elements, each of which can be a single color. The elements will be referred to as **"Text"** and **"Orbit"**.

The area referred to as **Text** is the word *"Javelin"* and the word *"Odyssey"* (white in the example.)

The area referred to as **Orbit** consists of the oval arc (red in the example.)

Text

Orbit

ONE COLOR OPTION:

In a one color logo the entire logo will be one color.

Javelin Odyssey 10th Anniversary Logo Coloring Guidelines

To order your new Javelin Odyssey with the 10th Anniversary logo, select it in section 3 of the online order form. For one color logos use the box titled **text/single color**. For a two color logo use both the **text/single color** box and the **accent/orbit** box.

TWO COLOR OPTION:

The logo is divided into two different elements, each of which can be a single color. The elements will be referred to as **"Text"** and **"Accents"**.

The area referred to as **Text** is the outline of the word "Javelin" and the entire word "Odyssey" (white in the example.)

The area referred to as **Accents** consists of the interior of the word "Javelin", the Arc and the X (blue in the example.)

Text

Accent

ONE COLOR OPTION:

In a one color logo the inside of the word "Javelin" will be empty.

Sun Path Logo Coloring Guidelines

If you would like to add the Sun Path logo to the right ring cover of your Javelin Odyssey (there is no charge for this) select the SPP logo on the RRC check box in section 4.1 of the online order form. For a one color logo use the box titled **interior/single color**. For a two color logo use both the **interior/single color** box and the **outline** box.

TWO COLOR OPTION:

The logo is divided into two different elements, each of which can be a single color. The elements will be referred to as “**Outline**” and “**Interior**”.

The area referred to as **Outline** is the white in the example.

The area referred to as **Interior** is the yellow in the example.

ONE COLOR OPTION:

In a one color logo the entire logo will be one color.
